Dear Sir,

Greetings!

As we prepare for the upcoming UNDAS 2024 deployment on November 1-2, 2024, I am reaching out to seek your partnership and support for augmentation during this crucial period.

The UNDAS season presents unique challenges that require collaborative efforts to ensure our objectives are met effectively. Your organization's expertise and resources would be invaluable in enhancing our overall capability to manage the anticipated demands.

We believe that with additional personnel and support from our partners, we can improve our operational efficiency and provide the best possible service to our communities. Your assistance in providing five (5) personnel, equipment, or any other support deemed necessary would be invaluable to us.

In addition, may we ask you to be part of the Incident Management Team. A Pre-deployment Briefing will be conducted on October 30, 2024, 2PM at the Roxas City Emergency Operations Center.

Should you have any questions or require further information, please do not hesitate to contact me directly at 0919 008 2274.

Thank you for considering this request. I look forward to your positive response and am eager to collaborate for a successful UNDAS 2024.

Sincerely,

DENNIS A. Saneo, EMT, RN
