- IV. **RESOURCES UTILIZED:**
CGAS Personnel are listed in Section III above.
- V. **PARTICIPATING AGENCY:**
604th CGAS, BFP, Red Cross, Roxas CDRRMO, and HERCOR College High School.

VI. **NARRATIVE OF THE REPORT:**

On 22 FEB 2025, 604th CGAS participated in the 2025 HERCOR College High School Sci-Math camp. This camp is a three-day event that focuses on subjects of interest to High School math and science students. Saturday's focus was on four subjects, including Rope Rescue Training (taught by BFP), First Aid Training (conducted by Red Cross), Emergency Radio Communication (taught by 604th CGAS), and finally Components of an Ambulance (taught by CDRRMO).

PCGA was invited to conduct a course in emergency radio communications for grades 7 through 11 math and science students of HERCOR College High School during their 2025 SCI-MATH Camp.

Six presentations were made for classes of approximately 12 students each by 604th CGAS DAS AUX CAPT ELISEO B TUAZON PCGA and CGAS 604th DDASA AUX LCDR LEONARD W GEMAR PCGA.

In addition to attending presentations, students were allowed to initiate and complete radio traffic as if participating in an emergency radio net using portable UHF transceivers.

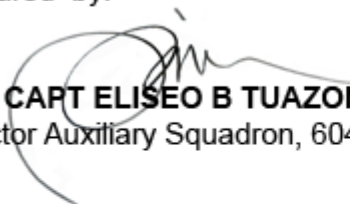

It is through events such as this that PCGA can demonstrate the wide array of skills possessed by our members as well as encourage future generations to consider PCGA as an outlet for volunteerism and to support their community.
