TOPICS:

Promotions Pending: AUX LCDR LEONARD W GEMAR PCGA led a discussion regarding four pending promotions in addition to new promotions planned for eligible TO position holders. Promotions pending include four promotions previously submitted but deferred/delayed by CGADWV for personnel including I/CDR Sane0, I/CDR A Artillero, I/LCDR Yap-Gasis, and I/ENS Batabat (*Interim ranks*

reflect that they were all donned to their new positions DEC 2022 by CG COMMO LIM but are still awaiting the GO.) These promotions should have all been covered by a GO in January or February 2023 but that was never issued. LCDR Gemar noted that the District has issued a GO request in December but that there has yet to be a response. (A copy is included herein.)

New Promotions: It was previously conveyed to the DAS, 604th CGAS that TO position holders are entitled to promotions that elevate them to the appropriate TO position rank or next higher rank, so long as the position has been held for at least six months and that it has been at least six months since the member's last promotion. Since the conveyance of that information, it has been confirmed to not be true and that TIG requirements as specified in the PCGA Manual MUST be met prior to any promotion requests, regardless of TO position. LCDR Gemar has review the 604th CGAS personnel records to determine eligibility and will create promotion requests for those eligible candidates, pending review and approval by 604th CGAS DAS and the squadron Promotions Board. Those approved will be forwarded to the District Promotions Board via the appropriate communications process. Submission is expected in 1Q2024.

Awards: AUX LCDR LEONARD W GEMAR PCGA has noted two eligible award ribbons. First is a **Red Cross ribbon** for himself due to participation in two Red Cross Blood Drives in Capiz. The second is the **Presidential Ribbon** eligible for all active squadron members based on a memorandum issued on or about 20 OCT 2023 by The Palace. LCDR Gemar asked CGADWV on 22 OCT 2023 if NAMO is going to have the GO issued nationally for the Presidential ribbon or will each District handle this itself. If it is left to each district, will CGADWV issue a GO with names or simply as a blanket GO to cover all active members with each squadron determining eligibility? No reply has yet been received.

Recruitment: AUX CAPT ELISEO B TUAZON PCGA noted that our squadron has some interested recruits who should be mentored and encouraged to submit their applications. Likewise, all squadron members are encouraged to solicit recruits that could further the PCGA goals and programs in the 2024 calendar year.

Upcoming Activities: AUX CAPT ELISEO B TUAZON PCGA reiterated that 604th CGAS will schedule and conduct monthly activities to be followed by a squadron meeting on the 3rd Saturday of each month. CAPT Tuazon suggested that squadron and division staff should work with him to schedule activities throughout the year.

CGADWV DISCON 2024: AUX CAPT ELISEO B TUAZON PCGA discussed the upcoming District Convention scheduled for 02 FEB 2024 in Bacolod. The schedule is still being massaged but once it is nailed down members can make their travel plans. It is likely that there will be a carpool available for those interested. CAPT Tuazon will keep everyone apprised.

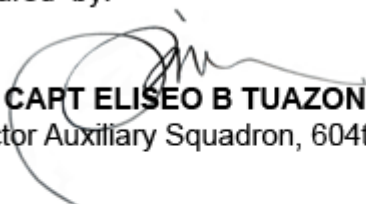

The meeting was adjourned at 1955 PHST. Meeting minutes were compiled by AUX LCDR LEONARD W GEMAR PCGA, 604th CGAS DDASA.
